

# EXTENDED CALL FOR PAPERS

**DUE SEPTEMBER 30, 2020**

## 12<sup>th</sup> INTERNATIONAL CONFERENCE ON CONCRETE PAVEMENTS

**2021**

**MINNEAPOLIS, MINNESOTA, USA**

“Making Waves with Durable, Resilient Concrete Pavements”

**AUGUST 29- SEPTEMBER 2**

organized by:

**International Society for Concrete Pavements**

in conjunction with:

**Minnesota DOT**

**National Road Research Alliance**

**Transportation Research Board**

**European Concrete Paving Association**

and the

**Australian Society for Concrete Pavements**

[12thiccp.concretepavements.org](https://12thiccp.concretepavements.org)

## WELCOME

The *International Society for Concrete Pavements (ISCP)* has rescheduled the **12<sup>th</sup> International Conference (12<sup>th</sup> ICCP)** to be held August 29 through September 2, 2021 in Minneapolis, Minnesota, USA at the *Renaissance Minneapolis Hotel, The Depot*.

*With the conference moved to 2021, ISCP has re-opened its call for papers to authors interested in participating in this conference.*

The **12<sup>th</sup> ICCP** will carry on the series of international conferences begun in 1977 by Purdue University. In 2001, ISCP became the organizer, starting with the 7<sup>th</sup> ICCP in Orlando, Florida. This international conference is traditionally held every 4 years, but due to the Coronavirus pandemic, government-mandated “stay-at-home orders”, and unknown end date(s), the **12<sup>th</sup> ICCP** has been postponed one year—5 years after the very successful 2016 11<sup>th</sup> ICCP in San Antonio, Texas. The focus of the **12<sup>th</sup>** conference will be to present information on new technologies related to the design, construction, and rehabilitation of various types of concrete pavements.

The **12<sup>th</sup> ICCP** is targeted for pavement, materials, and geotechnical engineering professionals who are involved in any aspect of concrete pavement design, construction, testing, evaluation, and rehabilitation including:

- Federal, state, provincial, & municipal engineers
- Consulting engineers
- Material Suppliers
- Contractors
- Academia

## PAPER SUBMISSIONS & PEER REVIEW

**All potential authors are invited to submit an abstract online on the 12<sup>th</sup> ICCP website by September 30, 2020.**

The primary author is required to pre-register for the Conference before the paper will be included in the proceedings and program. All manuscripts submitted, and all related poster boards and presentations must be original—not previously published—and must not be of a commercial nature. Each submission will be peer-reviewed by members of the Conference Steering Committee’s ‘Technical Paper/Program Review Subcommittee’. Selection of papers will be based on suitability of the topic, quality of the paper, and near-term applicability of the subject to practice. The Subcommittee will make all final presentation and publication decisions. Please see the list of **Due Dates** to the right and on the paper submission page.

## CONFERENCE TOPICS

The **12<sup>th</sup> ICCP** is expected to be of significant benefit to practicing and research engineers. Papers and conference presentations are being solicited for a wide range of topics focused on **comprehensive, current, and emerging concrete pavement technology**, and related to the mission of the ISCP: **“To further engineering and technical education, scientific investigation, and research in all areas related to the concrete pavements.”** **100 PAPERS** are anticipated and **10 WORKSHOPS** are planned. Specific areas of interest include, but are not limited to:

- Design of concrete pavements
- Concrete pavement materials
- Concrete pavement construction
- Preservation of concrete pavements
- Concrete resurfacing solutions/concrete overlays
- Rehabilitation of concrete pavements
- Pavement performance prediction and evaluation
- Durability of concrete pavements
- Techniques for analysis
- Pavement economics and life-cycle cost analysis
- Concrete pavement sustainability and LCA
- Innovative design methods
- Testing, instrumentation and sensing
- Pavement surface characteristics
- Concrete pavement performance and asset management

## DUE DATES

- SEPTEMBER 30, 2020** Completed papers due for review
- DECEMBER 15, 2020** Review completed and authors notified of dispositions of papers
- JANUARY 30, 2021** Submittal of revised papers for re-review if necessary
- MARCH 1, 2021** Re-reviews completed and authors notified of final dispositions of papers
- JULY 1, 2021** Final electronic versions of papers due

## PRELIMINARY SCHEDULE

TIME	SUN 8.29.21	MON 8.30.21	TUE 8.31.21	WED 9.1.21	THU 9.2.21
7:00 AM					
8:00 AM		BREAKFAST	BREAKFAST	BREAKFAST	
9:00 AM		PLENARY SESSION	PARALLEL WORKSHOPS (1-5)	PODIUM SESSIONS (9, 10)	FIELD TRIPS / SITE VISITS: MnROAD, City of Minneapolis Concrete Projects, Minneapolis Municipal Neighborhoods
10:00 AM		PODIUM SESSIONS (1,2, 3)		PODIUM SESSIONS (11, 12)	
11:00 AM				POSTER SESSIONS (1-2)	
12:00 PM	REGISTRATION **OPEN THROUGH WEDNESDAY	LUNCH	LUNCH	LUNCH	
1:00 PM		PODIUM SESSIONS (4, 5, 6)	PARALLEL WORKSHOPS (6-10)	PODIUM SESSIONS (13, 14)	
2:00 PM		PODIUM SESSIONS (7, 8)		PODIUM SESSIONS (15, 16)	
3:00 PM		NCC MEETING		POSTER SESSIONS (3-4)	
4:00 PM		MEETING STUDENT POSTERS			
5:00 PM		EXHIBITOR RECEPTION EXHIBIT HALL			
6:00 PM					
7:00 PM	WELCOME RECEPTION Mill City Museum			RECEPTION, AWARDS BANQUET, & ENTERTAINMENT Stillwater Riverboats	For the latest information on the 12 <sup>th</sup> ICCP SCHEDULE and more, please visit: <a href="https://12thiccp.concretepavements.org">12thiccp.concretepavements.org</a>
8:00 PM					
9:00 PM
