Professional Development Hours (PDH) Credit Statement for Registrant Records

The table below shows the Professional Development Hours (PDH's) that may be earned for continuing education activities associated with activities at the 12th International Conference on Concrete Pavements that was hosted by the International Society for Concrete Pavements (ISCP) on September 27-October 1, 2021.

Many licensure and certification agencies require the demonstration of continuing professional competency. Participants interested in the award of PDH's should check with local licensing organizations for specific requirements. Compliance with licensure requirements is the sole responsibility of the participant, and the Conference organizers and hosts assume no responsibility for compliance with professional licensure requirements. Reporting in many states is done on an "honor basis" and individuals are responsible for maintaining their own records. This form serves as a record of the hours that may qualify as PDH's. The conference organizers and host recommend that you save the Final Program and any other documents supporting evidence of attendance for your records should the licensure or certification agency request information from you. Please indicate the hours completed, and sign and date this form.

Date	Time (EDT)	Topic & Speaker	Hours Available	Hours Claimed
Monday, Sept 27, 2021	9:00a to 10:45a	Plenary Session	1.75	
	11:00a to 12:45p	Podium Session 1: Airfields	1.75	
		Podium Session 2: Moisture Effects		
		Podium Session 3: LCA		
	2:00p to 5:45p	Workshop 1: Internal Curing for Concrete Pavements	3.5	
		Workshop 2: Design and Evaluation of Rigid Airfield Pavements		
Tuesday, Sept 28, 2021	9:00a to 12:45p	Workshop 3: Fiber Reinforced Concrete Materials for Pavements	3.5	
		Workshop 4: Sustainability of Cement and Concrete Materials		
	2:00p to 3:45p	Podium Session 4: Overlays, Part I	1.75	
		Podium Session 5: Built and Novel Environment		
		Podium Session 6: Geotechnical Aspects		
	4:00p to 5:45p	Podium Session 7: Overlays, Part 2	1.75	
		Podium Session 8: Long Life Pavements		
		Podium Session 9: Case Studies		
	Wednesday, Sept 29, 2021	9:00a to 10:45a	Podium Session 10: CRCP Case Studies	1.75
Podium Session 11: Freeze-Thaw Durability				
Podium Session 12: Policy				
11:00a to 12:45p		Podium Session 13: Optimization	1.75	
		Podium Session 14: Sustainable Materials		
		Podium Session 15: Specifications		
1:00p to 4:45p	Workshop 5: Continuously Reinforced Concrete Pavements	3.5		
	Workshop 6: Performance-Engineered Mixtures			
Thursday, Sept 30, 2021	9:00a to 10:45a	Podium Session 16: Precast and Rapid Construction	1.75	
		Podium Session 17: Functional Evaluation		
		Podium Session 18: RCC and Heavy Loads		
	11:00a to 12:45p	Podium Session 19: Modeling	1.75	
		Podium Session 20: Joint Quality		
		Podium Session 21: Pavement ME		
	2:00p to 5:45p	Workshop 7: RCC Pavements Technology for Roads and Industrial Sites	3.5	
Workshop 8: Precast Concrete Pavements				
Friday, Oct 1, 2021	9:00a to 12:45p	Workshop 9: Design of Industrial Concrete Pavement Systems	3.5	
		Workshop 10: Pavement Preservation		
	1:00p to 2:45p	Podium Session 22: Thin Pavements	1.75	
		Podium Session 23: Construction Practices		
		Podium Session 24: Curing and Repair
